Long John Silver's / A & W

Hardin County Chamber of Commerce is proud of our membership and would like for you to "Meet the Members".

This week's spotlight is on

Long John Silver's / A & W located at 970 Pickwick Street in Savannah.

Locally owned and operated by Althea Fleeman since 2001, the restaurant offers quick service seafood featuring Long John Silver's favorites and A & W all American burgers and shakes.

Hours are Sunday through Thursday 10:30 am until 10 pm with Thursday night/kids night discounts and free Party Jumpers, and Fridays and Saturdays 10:30 am until 11 pm.

Althea has worked on improving service and adds that "New manager Diane Thompson has over 10 years restaurant experience and is bringing a new level of customer service and excitement to the location. We have improved the drive thru times, and have worked hard to meet the meal needs of everyone. You can eat here several times a week and get something different each meal. We have prices to meet all budgets and your family choices."

Frosty mugs of root beer are a dine-in specialty. Manager Diane Thompson and owner Althea Fleeman invite you by to enjoy a frosty mug with a great deal on meals while listening to the 50's and 60's tunes on the jukebox.

Althea adds "being a Chamber member is just good business. My business benefits from what the Chamber offers me and the entire community benefits from a quality Chamber organization."
