

## Meet:

# Pickwick Deli

2-21-2008

Hardin County Chamber of Commerce is proud of our membership and would like for you to "Meet the Members". This week's spotlight is on Pickwick Deli.

Retired FedEx employees Ann and Sonny Holman turned a hobby into a business venture by bringing what Sonny refers to as "a desire to provide a quality sandwich to the Pickwick/Counce communities and general public."

Opening in December 2003, the deli is located on Hwy. 57 in the mall area near Fred's. During the winter, they are open Tuesdays-Saturdays 7 until 2 and during the summer season they add Mondays and serve until 3 pm. Telephone is 690-0176.

In addition to the regular deli items and specialties, Pickwick Deli offers catering services, such as BBQ, cold sandwiches, hamburgers, and hotdogs, and sit down dinners. "Our hamburgers are the best around", brags Sonny, "however, cornbread salad on Tuesdays is a specialty."

The diner-style restaurant enjoys serving the needs of

Husband and wife, Sonny and Ann Holman are the owners of Pickwick Deli.

the community. Ann and Sonny are active in various area organizations as well as hosting the local Coast Guard Auxiliary Detachment every first Saturday for monthly breakfast meetings.

The Holman's commented that they have realized a significant increase in their catering business since joining the Chamber, as well as business overall; they believe the Chamber gave them an exposure to a wider audience provided by the Chamber publications and website.
